January 14, 2009

Washington, D.C. – Congressman Jerry McNerney (CA-11) supported an effort today to provide heals.

The legislation passed the House by a vote of 289-139.

"Every young child deserves quality health care. In fact, regular childhood checkups, along with early deserved the State Children's Health Insurance Program (SCHIP) was created in 1997 to provide health care cover The legislation is similar to two bills considered in the 110th Congress, and vetoed by President Bush, to "Because of this legislation reauthorizing the State Children's Health Insurance Program," Rep. McNernet The bill is fully paid for by raising the tobacco tax. Raising the tobacco tax also promotes children's health insurance program, and the state Children's health insurance Program, and the state Children's Health Insurance Program, are program, and the state Children's Health Insurance Program, are program, and the state Children's Health Insurance Program, are program, and the state Children's Health Insurance Program, are program, and the state Children's Health Insurance Program, are program, and the state Children's Health Insurance Program, are program, and the state Children's Health Insurance Program, are program, and the state Children's Health Insurance Program, are program, and the state Children's Health Insurance Program, are program, and the state Children's Health Insurance Program, are program, and the state Children's Health Insurance Program, are program of the state Children's Health Insurance Program, are program of the state Children's Health Insurance Program, are program of the state Children's Health Insurance Program, are program of the state Children's Health Insurance Program, are program of the state Children's Health Insurance Program, are program of the state Children's Health Insurance Program, are program of the state Children's Health Insurance Program of the state Childre

"With rising unemployment, this children's health bill is more critical than ever," said Rep. McNerney. "I
